Vendor Application

In addition to the great music, fabulous people and fun times the Jazz Festival has always had, this year we are adding an open market!

Tables will line the paths between the different venues, allowing festival goers to peruse and purchase all you have to offer. We are currently seeking all varieties of artists, crafters and specialty food creators. Music related products are a definite bonus, but are not necessary. The market will run on Saturday, May 1 and Sunday May 2, 2010.

- Spaces available will be 10'x 10'. Tables and/or tents will be available for rent upon prior arrangement.
- 10' x 10' spaces will rent for \$75 for the whole weekend. Vendors are more than welcome to rent more than one spot and combine them.
- Power will be available at \$20 for the weekend; no noisy generators will be allowed.
- Tables must be set up prior to festival beginning, and taken down between 6 & 7pm on Sunday. Please do not set up or take down during festival hours.
- The CJF assumes no responsibility for lost, damaged or stolen items.

The Chilliwack Jazz Festival is also seeking musicians who would be interested in volunteering to play outdoors as part of the market.

From solo acts to quintets and encompassing all styles of music, we would like to hear from you. Interested parties will need to audition to ensure a common standard is adhered to.

Vendors and Musicians are invited to fill out the registration form on reverse and mail it asap to :
